

PRIVACY POLICY

This privacy policy explains how PSS TECH Computer Solutions Pvt. Ltd. ("PSS TECH") collects, uses and discloses personal and other information PSS TECH receives in connection with the user support services we provide to user (the "Services") in accordance with the Terms of Use. When you submit information through our website, email, chat session, provide it to our technicians or, use the Services, you (the "user") agree to our use of this information consistent with this privacy policy.

INFORMATION COLLECTION AND USE

We collect information from you when you register on our site, place an order, respond to a survey or fill out a form. When ordering or registering on our site, as appropriate, you may be asked to enter your: name, e-mail address, mailing address, phone number. You may, however, visit our site anonymously. Credit Card details are required only while accepting payments after service/support has been provided.

Any of the information we collect from you may be used in one of the following ways:

To personalize your experience

(Your information helps us to better respond to your individual needs)

To improve our website

(We continually strive to improve our website offerings based on the information and feedback we receive from you)

To improve customer service

(Your information helps us to more effectively respond to your customer service requests and support needs)

To process transactions

(Your information, whether public or private, will not be sold, exchanged, transferred, or given to any other company for any reason whatsoever, without your consent, other than for the express purpose of delivering the purchased product or service requested.)

Security Of The Information We Collect

We are committed to protect the security of your personal information, and we use a range of technologies and procedures to do so. For example, we store personal information in a secure, limited access facility. Sensitive information transmitted to us through our store (such as a credit card number) is encrypted for transmission using the Secure Socket Layer (SSL) protocol. The SSL encryption is designed to make the information unreadable by anyone but us.

Do We Disclose Any Information To Outside Parties?

We do not sell, trade, or otherwise transfer to outside parties your personally identifiable information. This does not include trusted third parties who assist us in operating our website, conducting our business, or servicing you, so long as those parties agree to keep this information confidential. We may also release your information when we believe release is appropriate to comply with the law, enforce our site policies, or protect ours or others rights, property, or safety. However, non-personally identifiable visitor information may be provided to other parties for marketing, advertising, or other uses.

Protection Of Children's Privacy

Our Site is a general interest website, and we do not knowingly collect any personal information from children.

Use Of Cookies

We may use cookies and similar technologies to provide you with more personal service on our website and as you interact with PSS TECH. Cookies are small pieces of information stored by your browser on your computer's hard drive or on your device. Cookies help us keep track of the preferences you specify. Most web browsers automatically accept cookies, but you can usually change your browser to prevent that if you prefer not to store the information for future use. Each browser is different, so please check the help menu of your browser.

Online Privacy Policy Only

This online privacy policy applies only to information collected through our website and not to information collected offline.

Changes To Our Privacy Policy

PSS TECH Computer Solutions Pvt. Ltd. reserves the right to update this privacy Policy at any time by posting changes online without notice to you. The most current version of the privacy Policy can be reviewed by clicking on the "Privacy Policy" hypertext link located on our web site <http://www.psstech.us> . It is your responsibility to refer to this Privacy Policy before submitting any information on the website. Submitting your information after such changes to the Privacy Policy constitutes acceptance of those posted changes.
